ORDER GRANTING THE MICHIGAN LONG TERM CARE
OMBUDSMAN PROGRAM'S MOTION TO INTERVENE (DOC. 78)

Before the court is the Michigan Long Term Care Ombudsman Program's motion to intervene, which is unopposed. The court issued an order to show cause why the motion should not be denied as moot. The Michigan Ombudsman Program responded to the order to show cause on July 2, 2018. The Ombudsman Program also filed a report on July 10, 2018, regarding the conditions that affect the health, safety, and well-being of residents in the three remaining Magnum facilities. The court is satisfied that the Ombudsman Program's motion is not moot and that it has met the requirements for intervention as of right and permissive intervention. See Fed. R. Civ. P. 24(a)(2) and (b)(1)(A).

Therefore, IT IS HEREBY ORDERED that the Michigan Long Term Care Ombudsman Program's motion to intervene is GRANTED.
